

1. Symptoms of Discontent with God

a) Me-Centredness - v2

- Is your situation always worse? Others have it easier?

b) Superiority to others - v1

- Miriam finds a reason to look down on Moses' Cushite wife

c) Resentment of others

- Resents Moses' gifts and abilities
- Resentment is wrong even when we think it justified!

d) Challenging God's word

- God called Moses (Ex 3) – Miriam challenges what God has said
- Are there parts of God's word which you think don't apply to you? Commands, statements or promises?

e) Grumbling at God

- One of the most dangerous activities in the Bible - see Numbers 11
- Do you look for excuses to justify sinful discontent at God?

2. Seriousness of Discontent with God

a) God takes grumbling very seriously

- Through Exod. & Num – people always grumbling, always punished
- Num 12 – the leaders grumble – all the more serious than ch11
- God doesn't ignore it – its an attack on his character – v8

b) God will humble us

- v14 - the whole community is to witness her rebuke
- Judgment mixed with mercy – only 7 days, not death
- Our greatest problem is our pride – it is a mercy to be humbled

3. Solution to Discontent with God

a) Remember you were rescued by God

- Miriam, once a slave, now free - rescued by God
- She owes God everything, and he owes her nothing
- We were rescued by God at great cost – we owe him.

b) Accept God's right to rule

- v6-8 – God had done more for Moses, but it was his right
- Let God be God – no God worth worship dances to our tunes
- Need to accept the circumstances God in his wisdom places us in
- Need to humble ourselves – his great love will provide Rom 8:32

c) Get your contentment from God not your circumstances or others

- Miriam's worth was found in God's love of her, not in her activities
- Life will always be unfair until Christ comes.
- A me-centred view will breed resentment. A God-centred, cross-focused view will breed trust, contentment & purpose

There will be a lunch after the service this morning - we hope you are all able to stay.
